

Baby Bottle Campaign Announcement

for the Valley Care Pregnancy Centre

As you may know, The Valley Care Pregnancy Centre is a street mission of the local church ministering throughout the Annapolis Valley.

Churches from across the Valley partner together in this mission to share the grace, truth & compassion of Jesus with young women and men who need emotional and practical support when faced with an unplanned pregnancy. This mission is active in ministering to needy women and men and little ones involved in unplanned pregnancies, those looking for help with parenting or adoption and those suffering deep regret after an abortion. This Pregnancy Centre offers ongoing support, education, material aid, love, and the Gospel of Jesus Christ to everyone who needs help. Through this mission, lives are being saved and hearts are being directed to faith in Jesus as we seek to connect those in need with the warm and loving care of their local church.

This Baby Bottle Campaign is one way we can all work together to pray, raise awareness in the community and supply practical support for these Moms, Dads and Babies in need.

It's really simple. Just take a baby bottle home, pray for this mission and over the next few weeks, put a donation of cash or cheque in the bottle and return it to church on collection Sunday. It's a simple and effective way to make a powerful impact for the Gospel here in our own back yard.

Together, we can make a big difference. As the grace of God enables, by this time next year, a baby will be born who would not have existed if it were not for your support. God bless you!
